Welcome to our Open Evening Celebration: Caring for all of God's Creation
Tuesday 15th October 2019

Our start of the year open evening this year is a celebration of learning during our focus week on 'Caring for all of God's Creation'. You will have heard the children talk about issues raised during the week from energy conservation to re-cycling and many more topics.

The open evening is an opportunity to look around classrooms throughout the school and to see your child's class presentation which will be in the hall. There will be no access through the hall so please go via the playground to get to years 3, 4, 5 and 6.

Children must remain with an adult at all times.

ENJOY THE EVENING AND PLEASE RETURN THE SLIP BELOW TO LET US KNOW WHAT YOU ENJOYED.

Presentation times are as follows:

Reception, Year 1 & Year 2

- **6.10 children go to classrooms: parents and visitors to the hall**
- **6.20 presentations:**
  - Reception: The Re-cycling song
  - Year 1: I'd Like To Teach The World To Sing
  - Year 2: A Keelie Makolay

Years 3 and 4

- **6.35 children go to classrooms: parents and visitors to the hall**
- **6.45 presentations**
  - Year 3: From The Tiny Ant
  - Year 4: Earth–We're In It Together
