

PE Sport Premium Funding at St Mary's – May 2016

The PE and Sport Premium is designed to assist primary schools improve the quality of the physical education, physical activity and sport that they offer their pupils. The Premium received at St Mary's is £8,000 and an additional payment of £5 per pupil. This provision, originally promised for 2 years, has recently been extended to 2020. The provisional allocation of funding for 2016/17 is £9000.

The Premium must be spent on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles.

The Government has given extra funding to schools to be spent on sport in school. The aim is to increase sport provision for children and also to improve the quality of the provision they receive.

AIMS:

- To use effectively the Sports Grant to raise the outcomes for the children by ensuring that each pupil has access to high quality PE provision and that they engage in regular physical activity.
- To develop a vision that recognises that by the time each child leaves St Mary's they will have become positive in their approach to physical activity, achieved personal success and developed a sense of pride that provides them with the confidence to try new experiences through the next stages of their life.
- To use the resilience learned through playing sport in their wider school life and on into their adult lives.

All PE and Sport Premium Funding is used for 'All For Sport' Coached PE from Reception to Year 6

Currently 216 children benefit from specialist PE coaching at St Mary's.

Foundation and KS1:

- 40 minute PE lesson with qualified sport coach **and Class Teacher** where children are taught skills including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination
- Children are taught how to participate in team games, developing simple tactics for attacking and defending
- Children are taught to perform dances using simple movement patterns.
- **Follow-up lesson/s with Class Teacher**

KS2:

- 1 hour PE lesson with qualified sport coach **and Class Teacher** covering Net & Wall, Striking & Fielding, Invasion Games, Athletics.
- Children continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement.
- Children learn to communicate, collaborate and compete with each other.
- Children develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.
- **Follow-up lesson/s with Class Teacher**

Children are taught to:

- use running, jumping, throwing and catching in isolation and in combination
- play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending
- develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics]
- perform dances using a range of movement patterns
- take part in outdoor and adventurous activity challenges both individually and within a team
- compare their performances with previous ones and demonstrate improvement to achieve their personal best.

IMPACT

All 216 children have benefited from specialist PE coaching.

All Class Teachers team teach with specialist coach in order to be able to:

- develop their own subject knowledge and range of teaching skills
- develop a high quality follow up lesson

All children have responded positively to coached sessions by:

- benefiting from the wider range of sports on offer
- having the opportunity to learn and improve new skills
- develop a greater awareness of decision making in sport
- awareness of transferable skills learnt through participating in sport.

All Class Teachers have increased in confidence in delivering the follow-up PE lesson to their pupils. Have learnt new ways of teaching skill sets
