

BY THE HAND

When you're in the dark or on a narrow path,
You need someone to lead you by the hand,
to hold your hand tight.

You need someone to rely on.
God says we can all rely on him:

I've got you by the hand
And I'll never let you go!

No matter where you go,
No matter what you do,
You always have
A hand to hold you.

I will lead you, guide you, keep you
I won't ever let you go!

"I will take you by the hand and guard you."
(Isaiah 42:6)
