PE Sport Premium Funding at St Mary's – September 2019

The PE and Sport Premium is designed to assist primary schools improve the quality of the physical education, physical activity and sport that they offer their pupils. The Premium must be spent on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles. Pupils learn to work as a team and develop resilience in game situations, which are transferable skills for life.

The Premium received at St Mary's is £17.991. The majority of this funding will be spent on specialist coached PE for the children from Reception to Year 6 and the remainder will go towards planned development of the playground equipment.

AIMS:

- To use effectively the Sports Grant to raise the outcomes for the children by ensuring that each pupil has access to high quality PE provision and that they engage in regular physical activity.
- To develop a vision that recognises that by the time each child leaves St Mary's they will have become positive in their approach to physical activity, achieved personal success and developed a sense of pride that provides them with the confidence to try new experiences through the next stages of their life.
- To use the resilience learned through playing sport in their wider school life and on into their adult lives.

Foundation Stage and Key Stage One Provision:

- 40 minute PE lesson with qualified sport coach and Class Teacher where children are taught skills including running, jumping, throwing and catching, as well as developing balance, agility and coordination
- Children are taught how to participate in team games, developing simple tactics for attacking and defending
- Children are taught to perform dances using simple movement patterns.
- Follow-up lesson/s with Class Teacher

Key Stage Two Provision:

- 1 hour PE lesson with qualified sport coach and Class Teacher covering Net & Wall, Striking & Fielding, Invasion Games, Athletics.
- Children continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement.
- Children learn to communicate, collaborate and compete with each other.
- Children develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.
- Follow-up lesson/s with Class Teacher. Children are taught to:
  - use running, jumping, throwing and catching in isolation and in combination
  - play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending
  - develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics]
  - perform dances using a range of movement patterns

- take part in outdoor and adventurous activity challenges both individually and within a team
- compare their performances with previous ones and demonstrate improvement to achieve their personal best.

2018/19 IMPACT

All 214 children benefited from specialist PE coaching. All Class Teachers team teach with specialist coach in order to be able to:

- develop their own subject knowledge and range of teaching skills
- develop a high quality follow up lesson
- develop skills of assessing children within different areas of P.E.
- in conjunction with the coach, teachers are able to use assessment statements, for example, when reporting to parents including annual written report.

All children have responded positively to coached sessions by:

- benefiting from the wider range of sports on offer
- having the opportunity to learn and improve new skills
- developing a greater awareness of decision making in sport
- awareness of transferable skills learnt through participating in sport.
- every child throughout the year having their sporting skills affirmed by receiving the class sport award in specials worship.

St Mary's Church of England Primary School Class Teachers have increased in confidence in delivering the follow-up PE lesson to their pupils and have learnt new ways of teaching skill sets. #

Impact of Swimming Lessons – 2018/2019 cohort

DfE Swimming Criteria:

- Swim competently, confidently and proficiently over a distance of at least 25 metres
- Use a range of strokes effectively
- Perform safe self-rescue in different water-based situations

84% of 31 pupils in the 2018/19 Year 6 cohort met the above criteria, of the remainder, all could swim but did not satisfy every criterion.

The school has attained Bronze Award Sports Mark which also acknowledges:

- Coach-led lunchtime activities every Monday and Tuesday to extend development of physical activity skills for all classes.
- Planned extension of astro-turf to enable year round use of school grounds
