Thank you for helping to organise food for people who need it. We know that you are using your own precious time to help others; this is such a kind and generous thing to do. At St Mary's, we are inspired by your generosity and we hope that our donations will help the wonderful work you do. We understand that we can't fix everyone's problems, but we can all do our bit to help to make a difference. You should be really proud of the work you do!

We send you our love and thanks.
